Description

Special hand brushes

Special hand brushes from LESSMANN are for custom brush applications.

Brushes with scraper

With the integrated scraper, stubborn deposits can also be effortlessly removed using just one tool.

Brush body PEFC-certified

These brushes are fabricated with a PEFC-certified beechwood body, meaning they contribute to supporting sustainable, regional forest management.

Brushes in cut cases

Cut cases are perfect for presenting a relatively large number of products. The brushes can be quickly and easily integrated in a modular self-service wall.
