Description

Hand brushes, basic version

Basic brushes from LESSMANN have a plain wooden body. The brushes are often used in the skilled trades, repair shops, industrial companies and by DIYers.

Brush body PEFC-certified

These brushes are fabricated with a PEFC-certified beechwood body, meaning they contribute to supporting sustainable, regional forest management.

Low-sparking brushes

LESSMANN low-sparking brushes are recommended for working in areas where combustible or highly flammable vapours, liquids or dusts are present, and in all other situations in which sparks pose a potential risk of fire or an explosion hazard.
