Description

Spark plug brushes

Spark plug brushes from LESSMANN are used to manually remove dirt and deposits on soft and sensitive surfaces. The brushes have a thin wire filling, making them excellently suited to fine brush work.

Brush body PEFC-certified

These brushes are fabricated with a PEFC-certified beechwood body, meaning they contribute to supporting sustainable, regional forest management.

Brushes in cut cases

Cut cases are perfect for presenting a relatively large number of products. The brushes can be quickly and easily integrated in a modular self-service wall.
