Description

Staining brushes
Staining brushes from LESSMANN are ideal for preparing wood prior to further processing.

Brush body PEFC-certified
These brushes are fabricated with a PEFC-certified beechwood body, meaning they contribute to supporting sustainable, regional forest management.

Low-sparking brushes
LESSMANN low-sparking brushes are recommended for working in areas where combustible or highly flammable vapours, liquids or dusts are present, and in all other situations in which sparks pose a potential risk of fire or an explosion hazard.
