Description

Hand brushes with plastic handle

Hand brushes with plastic handles from LESSMANN are used to manually remove rust, dirt and paint. The brushes are often used in the skilled trades, repair shops, industrial companies and by DIYers.

Food-grade brushes

These brushes are approved for use with foodstuffs under the Professional Hygiene Charter of the European Brushware Federation (FEIBP). For this reason, they are frequently used in restaurants, high-volume kitchens, food processing facilities, delivery services and the food industry.
