

## Stripping brush

### ArtNr. 30173630

Stripping brushes dia 80 x 28-32 mm EBR 32 mm tube 30 mm steel wire brassed STM crimped 0.30 mm bore 16 mm trim length 13.5 mm

## Characteristics

### Technical data

|                                    |                                                                                                                                |

## Description

### **Stripping brushes**

Sealing brushes from LESSMANN are specially designed for removing coatings and insulating materials from cables and electrical conductors. Thanks to the ground surface of the wires and the precise concentric running of the brush, the coating on a cable can be removed without subjecting it to excessive wear and tear.
