Utilizing Industries	Skilled trades | DIYer
Application	Cleaning
Application Description	The chimney brush is used for cleaning chimneys. Cleaning chimneys increases a system's efficiency and reduces pollutant emissions.
Article Description Marketing	Chimney brush IBZG
On Stock as per Catalogue	Yes
Version	with thread | With loop
Single/Double Spiral	Single spiral
Catalogue Page	129
Product Description short	Chimney brush IBZG with a total length of 160 mm, diameter of 150 mm, M12 thread, loop, steel wire filling and galvanised oval twisted wire

Product Description long	The chimney brush is used to manually clean chimneys. Cleaning chimneys increases a system’s efficiency and reduces pollutant emissions. The LESSMANN chimney brush boasts high-quality materials and precision manufacturing. To sweep out chimneys, the loop can be used to attach a weight. The internal thread makes it possible to extend the brush using the corresponding handles. Of premium "Made in Germany" quality, this product is frequently used in the skilled trades, industrial companies, by DIYers, and in the HVAC and plumbing sectors.
